## Objective

Proactive and results-oriented EHS Manager with B.Tech in Mechanical Engineering and over 10 years of specialized experience in Environmental, Health, Safety, and Sustainability management across the Construction, Manufacturing, Facilities Management, Oil and Gas, and Logistics sectors. NEBOSH and IOSH certified, with a strong track record in risk assessments, regulatory compliance, hazard identification, incident investigation, safety audits, and sustainable practices. I aim to leverage my technical expertise and strategic approach to drive a strong safety culture, minimize environmental impact, reduce operational risks, and promote sustainability within a forward-thinking organization.
